You Wondering Now
Ultraje a Rigor

```
A                          E                 D               A
You re wondering now  what to do  now you know this is the end
A                          E                 D               A     A7
You re wondering how  you will pay  for the way you did behave

D                       A
Future is calling  now you re on your own
D                        A          B  E
I won t return  forever you will wait
```
