       G#            Cm         Fm
I m so sorry for the things I ve done
        Bbm       G#            F#
And the times it went a little wrong
G#          Cm           Fm   Eb  C#
Try to understand that I made my plans
        G#       F#     G#   C#
With my love for you in mind

Sometimes you get the wrong idea
And I can t seem to make it clear
If my heart doesn t show it s cause I don t know
The best way to say I love you
Bbm           Eb               Cm                      Fm
Every living day you fill my heart with a breath of spring
Bbm               Eb                 Cm             C#
And I search the universe for some joy that I can bring
F#  G#
To you
