E -------------------       E -------------------|
```

VERSE: (Play chords and/or FILL 1)

```
       A              G
I am awake and I am alive
                    A
Some say that I ve won
               G
Some say I survived
```

```
        (BEGIN FILL 2)                  (END FILLS)
              D                       A
An angel vigilante others might proclaim

    C                               B
But as I breathe I will not be a pawn,
                     A
A piece in anyone s  game

CHORUS:
A      C      G     A       C     G   A
I am a fallen angel I am a sacred he-art

VERSE:
   (BEGIN FILL 1)
        G                   A
I am invincible and I am divine
                      G                           A
Yeah, I could be a beauty with a little bit of shine

            (BEGIN FILL 2)
                   G                                  D (END FILLS)
Maybe the patron saint of rage oh, with black market eyes

             C
Well, I ve looked into the face of fear
    B                     (A)
I know what I m doing here

Watch me fly

BREAK:
E ------------------------|
B ------------------------|
G ------------------------|
D ------------------------|
A --3/5-5--5/7--7/12-11--|
E ------------------------|

A coward or a monster

E ------------------------|
B ------------------------|
G ------------------------|
D ------------------------|
A --3/5-5--5/7--7/12-11--|
E ------------------------|

A puppet or a slave
```

```
E -----------------------|
B -----------------------|
G -----------------------|
D -----------------------|
A --3/5-5--5/7--7/12-11--|
E -----------------------|
```

```
                  C
I make my own choice
             B                         A
And I will never, I will not, I will never behave

BREAK:
 G
When did I begin the soldier s journey
 A
When did I begin the fight
 G
Fighting to believe what they had told me
  D
Fighting to believe the lie
                A
That I had to serve somebody
G                            A
 I never had to serve somebody

OUTRO:
A       C           G  A                C
I am a sacred heart, I am a fallen angel
G                A   C             G  A
I am a sacred heart, I am a savage fire
              C                  G         A
Deep inside, deep inside the icy, the icy dark
 C      G            A                C          G
Ooooo-oohhh, I am a sacred heart, a sacred heart
   A        C            G  A     C       G   A C G A
A fallen angel, and I am, I am a sacred heart........
