```
A            D            F#m    A
I took your counsel and came to ruin
E              A           D              A
Leave me to myself, leave me to myself  (repeat)

Looked up full of fear, trapped beneath the chandelier thatâ€™s going doooown

I thought it over and drew the curtain
Leave me to my cell, lead me to my cell
I hummed the dies irae as you played the hallelujah
Leave me to cell, donâ€™t leave me in my cell

If youâ€™ve been made to serve amaster youâ€™d
Be frightened by the open hand, frightened by the hand
 Could Iâ€™ve been made to serve a master
Well Iâ€™m never going to understand, never understand
