Lost Boy
5 Seconds Of Summer

Did this by ear and it sounds pretty good.

[Verse 1]

```
D                                             A
I remember the last time I saw your face
                                        Bm
I feel so lonely without the crowded space
                G
You left with me without direction
```

[Pre-Chorus]

```
D                         A
I ve gone from place to place
                          Bm
Trying to bring you back
                          G
I ve walked for days and days
                          D
Cause I can t face the fact
        A                        Bm          G
That nothing is better than you
```

[Chorus]

```
                    D           A
I m coming because I need to find you
              Bm          G
Is anybody there to the rescue
                  D
Somebody like me
                  A
Cause I m just waiting
                      Bm
For somebody like you
                      G
Somebody like you
                          D                     A
Cause without you I m a lost boy
                    Bm                      G
```

```
Without you I m a lost boy
                          D                 A
Come find me I m a lost boy
                           Bm              G
Cause without you I m a lost boy

[Verse 2]

D                       A
I remember the last time I heard your voice
 Bm                        G
I ve sat in silence livin in a world of thought
D              A      Bm          G
Cause you were perfection

[Pre-Chorus]

D                              A
I ve hoped for weeks and weeks

Trying to bring you back
Bm                           G
I ve walked from street to street
                              D
Cause I can t face the fact
A                      Bm                 *G (one strum)
That nothing is better that you

[Chorus]

                  D          A
I m coming because I need to find you
           Bm          G
Is anybody there to the rescue
               D
Somebody like me
                 A
Cause I m just waiting
                   Bm
For somebody like you
                   G
Somebody like you

                        D                 A
Cause without you I m a lost boy
                 Bm                G
Without you I m a lost boy
                      D            A
Come find me I m a lost boy
                       Bm            G
```

Cause without you I m a lost boy

[Bridge]

D
Come find me
                  A
Come find me

Come find me
                  Bm
Come find me

Come find me
                  G
Come find me
D
Come find me
                  A
Come find me

Come find me
                  Bm
Come find me

Come find me
               F* (one strum)
Come find me

 D   **A**
Without you I m a lost boy
                 Bm   **G**
Without you I m a lost boy
                       D   **A**
Come find me I m a lost boy
                   Bm   **G**
Cause without you I m a lost boy

[Chorus]

  D   **A**
I m coming because I need to find you
          Bm   **G**
Is anybody there to the rescue
             D
Somebody like me
            A
Cause I m just waiting
               Bm
For somebody like you

```
                     G
Somebody like you
                              D                 A
Cause without you I m a lost boy
                   Bm               G
Without you I m a lost boy
                        D           A
Come find me I m a lost boy
                   Bm               G
Cause without you I m a lost boy
```
