If We re Not Back In Love By Monday
recorded by Merle Haggard
written by Glenn Martin and Sonny Throckmorton

```
G#                 Bbm
We can call Mrs. Johnson
            Eb7            G#
To keep the kids a day or two
                          Bbm
Take the early flight to Florida
         Eb7             G#
Just the way we used to do

                           Bbm
Let room service bring us breakfast
          Eb7              G#
Make love all through the day
                              Bbm
If we re not back in love by Monday
       Eb7              G#
We can go our separate ways

                              C#
If we re not back in love by Monday
                        G#
We can t say we didn t try
                    Bbm
But before we bury our love
           Eb7                G#
Let s make sure we ve let it die

                         C#
Sleep a few more nights together
                           G#
Say the things we used to say
                              Bbm
If we re not back in love by Monday
       Eb7              G#
We can go our separate ways

                           BbM
We could find that little cafe
         Eb7             G#
With the funny sounding name
                      Bbm
Get the table by the window
           Eb7            G#
```

I ll say I love you once again

```
                         Bbm
If the violin player s still there
                Eb7                 G#
We ll dance you until the break of day
                             Bbm
If we re not back in love by Monday
       Eb7              G#
We can go our separate ways
```
