

**Monster Among Men**  
**5 Seconds Of Summer**

**C F Am**  
Demons hide behind my back

**C F Am**  
And I can't see them, one, two, three, four

**C F Am**  
Leading me to do their dirty work

**C F Am**  
Won't let them knock down my door

**C F Am C F Am**  
The stupid truth is I'm so bad for you

**C F**  
Oh-no-no-no, I can't take it

**C F Am G**  
Oh-no-no-no, I won't break your heart again

**F G**  
I don't wanna be a monster among men

Fragile, always about to fall just like sand

**C F Am**  
Castles, three, two, one, go

**C F Am**  
Strong hold, it's time for me to admit

**C F Am**  
That I'm an asshole, so here I go
