I don t even have the tape * to Gian for helping me out in this one.
You ll have too figure out on your own how many times each part has to be played.

PartI (4/4)

```
A          G         Bm           A
-------------------|-2-----------------|
-5---------3-------|--------------5----|
-----6---------4---|-----3-------------|
-------7---------5-|-------4-----------|
-------------------|-------------------|
-------------------|-------------------|

A          G  F#/D     G  F#/D   A
-------------------|-------------------|  I think in Part I
-------------------|-------------------|  he sings:
-------------------|-------------2-----|   Piccolo spazio
-0h2-2-----0--0----|---0--0------2-----|  pubblicita
-----0-----2--0----|---2--0------0-----|
-----------3--2----|---3--2------------|
```

End Part I

Part II

```
 A       G            Bm          A
-------------------|-------------------|
-2-----------------|--3-----------2----|
-2-------0---------|--4-----------2----|
-2-------0---------|--4-----------2----|
-0-------2---------|--2-----------0----|
---------3---------|-------------------|
```

End Part II

Verse

```
---2--------2------|-------------------|
-----3--------3----|-------------------|
```

```
-------4--------4--|-------------------|  I don t really know how to put down
the last
-------------------|-2-4--2----2-4-2---|  measure so just listen the song and
you ll
-2--------2--------|-0-0--0----0-0-0---|  know how to play it(It s just those
two positions
-------------------|-------------------|  though)

Chorus

     Con tutte..       Tutte quelle
-------3-3---------|--2-2--------------|  The G and D chords are strummed more
than twice
-------3-3---------|--3-3--------------|  just find your own way of playing it.
-------0-0---------|--2-2--------------|
-------0-0---------|--0-0--------------|
-------2-2---------|-------------------|
-0-2-3-3-3---------|-------------------|

-------------------|-------------------|
-------------------|-------------------|
-------------------|-------------------|
-2-4--2---2-4--2---|--and so on--------|
-0-0--0---0-0--0---|-------------------|
-------------------|-------------------|
