```
G             E           C
i will drive  fifty five
     D
when stated
G                E            C
and i will drive thirty five
            D
when im not late yeah
C                    D
twentyfive in school zones
C                           D
means no injuries or broken bones
C                  D
and i dont need to groan
C                          D
when i swear not to drive stoned
G                 E
and i will drive

the speed limit
