Catfish
Waxahatchee

Capo on 8th Fret
Chords relative to capo
Listen to the song for the rhythm, same rhythm throughout (4 downstrokes in 3/4 meter: 1 2 3and)

Intro and Verse chords
C# G# F# Bbm

C# **G#** **F#** **Bbm**
Crave, desolate, you dive in, we follow along.
I contrive you with whiskey and Sam Cooke songs
and we lay on our backs, soaking wet below a static tv set.
Conversation flows, counting shooting stars and catfish,
Bbm **G#**
but I ll never make a wish.

Same for Verse 2 until Outro
C# **F#** **G#** **F#**
We stick to our slow motion memory.
It s 1 in the morning and 90 degrees
and though now it is hovering darkly over me,
it ll look just like heaven when I get up and leave.
Bbm **G#**
You re a ghost and I can t breathe.
