Misery Over Dispute
Waxahatchee

Katie plays the song with power chords, but this is another way you can play it if you
have a hard time with bars. The lyrics are correct, they are from the CD jacket.

Capo 4th fret

```
C       G
Revive the summer at dusk.
Am           Em                       C
I run fast, leave you in the dust and the
                  G                     Am
First soul that I pass on the street could not
              Em           C
Rid me of my cheating defeat.
```

G Am Em C G Am Em

```
C     G                    Am
If I claimed a sole regret I
           Em                 C
Loved only enough to accept and I ll
                 G                 Am
Be spineless and sick in your eyes until
             Em               C
Death or the dragging of time I
             G            Am
Chose misery over dispute I
              Em                    C
Whispered and walked on eggshells just to
               G           Am
Choose misery over dispute I
             Em        C
Chose misery over dispute.
```

G Am Em end on **C**
