            Bbm
She was the smiling girl,
          Bbm
It could light up the world,
                  G#
And well did she know,
                Bbm
That she had a hold on a man,
                    Bbm
The more that she showed to a man,
                  G#
The more she controlled,
                      Bbm
â€˜Cause she was the smiling girl,
                 Bbm
They said, â€œKeep away from the girl,
                 C#    F
Sheâ€™ nothinâ€™ but bad news.â€•

               Bbm
And she had a jealous man,
                 Bbm
Said she wanted rid of him,
               G#
She lay by my side,
                 Bbm
Anâ€™ he was the hard-workinâ€™ kind,
            Bbm
```

Nothinâ€™ but her on his mind,
G#
She was his prize,
Bbm
â€˜Cause she was the smiling girl,
Bbm
Said, â€œWhat do you want from me girl,
C# F
Blood on my hands?â€•

Bbm C# G#
And oh boy, you were warned this would happen!
Bbm C# G#
And oh lord, youâ€™d have known this was comin,
Bbm
Yeah, he came out lookinâ€™ for her,
C#
He found us both together,
F Bbm
Beware the wrath of the jealous man,

If he could not be with her,
C#
Then she could be with no other,
F Bbm
And so it is and will always be.

OUTRO (instrumental): (**Bbm C# F**) Repeat and end on **Bbm**
