Never meaning no harm
   E                                B7
Beats all you eversaw,been in trouble with the law
                            E
Since the day they were born
```

[Verse 2]

  E
Straight in the curves
              A
Flat on the hills

Someday the mountain might get em

But the law never will
```

Making their way,any way they now how
                                                        E
That s just a little bit more than the law will allow
```
