        A5                F#5
If you want it, you can have it
           D5/A            E5/B               F#5
But you ve got to learn to reach up there and grab it
      D5/A      E5/B        A5
Cause everybody wants some love (oh baby)
D5/A              E5/B    A5
Shooting from the stars above (oh baby)
    D5/A                 E5/B
And though my heart will break
        C#5/G#            F#5
There s more that I could take
D5/A              E5/B
I could never get enough
 If you need it, you should show it
Cause you might place home and I think that you grow it (?)
Cause everybody wants some more (oh baby)
Something they can barely know (oh baby)
And though my heart will break
There s more that I could take
I can never let it go
 C#5/G#             F#5         A5
       It s in the photograph
C#5/G#             F#5         A5
       It s in the photograph
D5/A               B5/F#         G5        E5
       It s in the photograph of love

If you blew it, don t reject it
