

Over And Over
5 Seconds Of Summer

These are the chords I worked out from listening to it. They've been tested on both the piano and guitar and sound right. Sorry, I know on the guitar these are tricky to play, so I'll put some easier alternatives at the bottom. Enjoy!

Bmaj **F#maj**
You know something I don't
G#m
It's not like you to be cold
Ema j
Every night replayed over and over.
Bmaj **F#maj**
You say things that I don't
G#m
You make me feel alone
Ema j
Every night replayed over and over.

Ema j
You say it's no concern
Bmaj
And everything's alright.
Ema j
Sometimes we all get burnt
Bmaj
And then we try to hide.
Ema j
And I know and I know and I know and I know we're wrong
Bmaj
We should have let things slide.

G#m **Ema j**
Cause when the night gets dark
Bmaj
And there's no way back
F#maj
I'll call your name but it's fading
F#maj
We're fading.

Bmaj **F#maj**
