Good Enough For Now
Weird Al Yankovic

```
                G#                C#              G#
Oh, you know I couldn t live a single day without you,
G#            G#                 C#               Eb
Actually, on second thought, well, I suppose I could.
   G#             C#                G#                  C#
Anyway, what I m trying to say is honey, you re the greatest.
         G#           Eb                   G#
Well, at any rate, I guess you re pretty good.

       G#               C#          G#
Now it seems to me I m relatively lucky,
         G#               C#                Eb
I know I probly couldn t ask for too much more.
  C#            C#              G#            C#
I honestly can say you re an above-average lady,
       G#                Eb                 G#
You re almost just what I ve been looking for.

Chorus:
       G#            C#            G#
You re sort of everything I ever wanted.
           G#              C#        Eb
You re not perfect, but I love you anyhow.
C#          C#                G#      C#
You re the woman that I ve always dreamed of,
          G#                  Eb               G#
Well, not really, but you re good enough for now.

       G#               C#                G#
You re pretty close to what I ve always hoped for,
           G#               C#             Eb
And that s why my love for you is fairly strong.
      C#         C#           G#         C#
And I swear I m never gonna leave you darling,
   G#                   Eb             G#
At least til something better comes along.

Chorus.
