B                   E                   B
Hey, wake up, your eyes weren t open wide
          G#m            F#                                        B
For the last couple of miles you ve been swerving from side to side
            E                 F#
You re gonna make me spill my beer,
B                          E
If you don t learn how to steer
E        C#        E      B   F# G#m F#
Passenger side, passenger side, I
     C#            E         B
don t like riding on the passenger side
B              E              B
Roll another number for the road
    G#m            F#             B
You re the only sober person I know
            E                F#
Won t you let me make you a deal,
B                     E
Just get behind the wheel
  E        C#      E         B  F# G#m F#
Passenger side, passenger side, I
 C#                E                   B
don t like riding on the passenger side
  G#m                          F#
Should ve been the driver, could ve been the one
  B                            E
I should ve been your lover, but I hadn t seen...
B                       E               B
Can you take me to the store, then the bank?
       G#m             F#                  B
I ve got five dollars we can put in the tank
            E                      F#
I ve got a court date coming this June
B                E
I ll be driving soon
E         C#       E        B  F# G#m F#
Passenger side, passenger side, I
 C#                E                  B   F# G#m F#
don t like riding on the passenger side
     C#              E                  B
I don t like riding on the passenger side
