[Verse]
```
Em                 Bm                 Dm                                        Am
Pride feeds their blackened hearts, and thirst, must be quenched through
hypocrisy
          Cm                        Gm           C#
Cleansing flames, is the only way to remain, renounce what made you
           Fm              Cm
Words that kill, would you speak them to me
          Fm                 Cm
With your presence still, it makes me believe
        Fm                            Cm
That sins never die, can t wash this blood off our hands
        Fm                            Cm
Let the world fear us all, it s just means to an end,
      Bbm                 Cm
As salvation lies, in the father s sins
  C#                      Eb
Beyond the truth, let me suffer now
Bbm    Cm    C#    Eb
      Bbm                            Cm            C#          Eb       Fm
In my heart i just know that there s no way to light up the dark, in his eyes
```

[Outro]
