Jamie Cullums theme for the movie Gran Torino
Listening to the song should show you when the chord changes take place. I did this by
so it may not be 100% accurate, but it sounds good to me.
Have fun playing!

```
C#                                      Ebm
Realign all the stars above my head
Warning signs travel far
 G#                                                C#
I drink instead on my own Oh! how I ve known
the battle scars and worn out beds

F#maj7
gentle now a tender breeze blows
Emin7
whispers through a Gran Torino
Dmin7                     G#7          B
whistling another tired song

F#maj7
engines humm and  bitter dreams grow
Emin7
heart locked in a Gran Torino
Eb                                            C#
it beats a lonely rhythm all night long

F#maj7
these streets are old they shine
Bbm
with the things I ve known
Fm
and breaks through the trees
F#
their sparkling
G#
your world is nothing more than all the tiny things you ve left behind

D
So tenderly your story is
                       Ebmin7
nothing more than what you see
or what you ve done or will become
```

```
A
standing strong do you belong
  D
in your skin; just wondering

Gmaj7
gentle now a tender breeze blows
Fmin7
whispers through the Gran Torino
Ebmin7                        C
whistling another tired song
Gmaj7
engines humm and  bitter dreams grow
Fmin7
a heart locked in a Gran Torino
E                        D
it beats a lonely rhythm all night long

Gmaj7
may I be so bold and stay
Bbmin7
I need someone to hold
F#m
that shudders my skin
 G
their sparkling
A
your world is nothing more than all the tiny things you ve left behind

D                                Ebmin7
so realign all the stars above my head
warning signs travel far
 A
i drink instead on my own oh how ive known
D
the battle scars and worn out beds

Gmaj7
gentle now a tender breeze blows
Fmin7
whispers through the Gran Torino
Ebmin7                       C
whistling another tired song
Gmaj7
engines humm and  better dreams grow
Fmin7
heart locked in a Gran Torino
E                                           D
it beats a lonely rhythm all night long
E                                           D
it beats a lonely rhythm all night long
E                                                   D
it beats a lonely rhythm all night long
