Most download versions of this song that I ve heard are slightly sped up from the
format, so your guitar may sound out of tune while playing along... I d say its about a 1/16th
higher than it should be.

INTRO: **E** **B** **E**

VERSE 1
E **A** **E**
I ll be thinking of you pal at sunset time
A **E**
Thinking of the happy days gone by
B **E**
There beneath those dear old western skies
F# **B**-**A**-F#/D-**F#**-**E**
And I ll tell you just the reason why,

CHORUS
E **A** **E**
There s a love knot in my lariat,
B **E**
And it s waiting for a blue eyed gal you bet,
A
While I m riding the range all day
E **F#** **B**-**A**-F#/D-**F#**-**E**
My old lasso seems to say, it twines around an ornery stray,
E **A** **E**
There s a love knot in my lariat
B **E**
And it s waiting for my little prairie pet
A **E**
When I swing me old lasso you hear me â€˜yodelayheehooâ€™
E **B** **E**
There s a love knot in my lariat.

VERSE 2

E **A** **E**
Iâ€™ll be thinking of you pal at roundup time
A **E**

when Iâ€™m riding cross the great divide
B **E**
every time I swing my lariat
F# **B**-**A**-F#/D-**F#**-**E**
takes me back to someone I just cant forget.
