

Story Of Another Us
5 Seconds Of Summer

Verse 1: (Calum)

D

Play the scene over again,

D

Before the credits rolling in

G **D**

Inside my head

D

I don't recall a single word,

D

They hit me faster than I heard

G **D**

Inside my head

Pre-Chorus: (Luke)

A

And now I'm shaking, wearing thin

Bm

I've always wondered where you've been

G

Tell me if you wanted it at all

Chorus: (All)

D

I got a long term plan with short term fixes

G

And a wasted heart that just eclipses

Bm

G

And I push my luck from trust to dust enough

A

That's the story of another us

D

One last ditch a new beginning

G

So take this heart, put yourself in it

Bm

G

This surprise ending I'm depending on

A

Could be the story of another us

D

The story of another us

G

The story of another us

Bm

The story of another us

G **A**

Could be the story of another us

Verse 2: (Luke)

D

Memories are pay-per-view,

D

It costs too much to think of you

G

I m hanging by a thread

D

An epilogue before we re done,

D

A sequel to what we ve begun

G

I m hanging by a thread

Pre-Chorus: (Luke)

A

And now before our hope is lost

Bm

My heart is here it s such a cause

G

Tell me if you wanted it at all

Chorus: (All)

D

I got a long term plan with short term fixes

G

And a wasted heart that just eclipses

Bm

G

And I push my luck from trust to dust enough

A

That s the story of another us

D

One last ditch a new beginning

G

So take this heart, put yourself in it

Bm

G

This surprise ending I m depending on

A

Could be the story of another us

D

The story of another us

G

The story of another us

Bm

The story of another us

G

A

Could be the story of another us

Bridge: (Michael & Calum)

G

Drowning, beside you

A

Where I ll be to remind you

G

We re still first in line for

A

G

The front row of last resorts

D

One last ditch a new beginning

G

So take this heart put yourself in it

Bm

G

This surprise ending I m depending on

Chorus: (All)

D

I got a long term plan with short term fixes

G

And a wasted heart that just eclipses

Bm

G

And I push my luck from trust to dust enough

A

That s the story of another us

D

One last ditch and new beginnings

G

So take this heart, put yourself in it

Bm

G

This surprise ending I m depending on

A

Could be the story of another us

D

The story of another us

G

The story of another us

Bm

The story of another us

G

A

Could be the story of another us
