Oklahoma - Oh What A Beautiful Mornin
Misc Soundtrack

These chords are not the exact ones from the movie Oklahoma! Rather, they are what
I put together on my guitar.

```
A                       E           A
There s a bright golden haze on the meadow!
A                       E           A
There s a bright golden haze on the meadow!
A                                    D
The corn is as high as an elephant s eye
       E
And it looks like it s climbin  clear up to the sky!

CHORUS:
A                    D        A                   E
Oh, what a beautiful mornin ! Oh, what a beautiful day!
A                    D        A            E7       A
I ve got a beautiful feelin , everything s goin  my way!

A                  E             A
All the cattle are standin  like statues.
                   E             A
All the cattle are standing like statues.
                                                   D
They don t turn their heads as they see me ride by,
      E
But a little brown maverick is winkin  her eye!

A                     E              A
All the sounds of the earth are like music!
                      E              A
All the sounds of the earth are like music!
                                        D
The breeze is so busy, it don t miss a tree,
       E
And an old weepin  willow is laughin  at me!
