B                                F#
     She promised you stars,
                        E
Like you read all her pages,
                C#
    All of the tension,
                        B
And the company of strangers,
                        F#
The fear that you came with,
                   E
You though you d escaped it,
                G#
But even while breaking,
           B               E
You could still be persuaded...

E
   Looking out...
F#
    Across the lights...
                  Eb
Until the morning.

                     a      G
Oh, but didn t they shine!
       E
Like a night sky.
            a       G
Didn t they shine!
       E
Like a hazy day rain,
     C#                       F#               Eb
Like champagne and heartbreak.

Oh, but didn t they shine,
(Oh, didn t they shine)
Like a night sky,
(yeah, yeah, yeah)
But didn t they shine,
(Oh, didn t they shine)
