The rest of the song goes like this over and over until it goes into Your Move and you can strum this however you want.

```
e|-|--4--4--4--4--5--5--5--5--7--7--7--7--5--5--5--5-|

```

I could never be able to tab Your Move (I only said I would tab I ve seen all good people) but I know the Rhythm Guitar plays this first and it plays the same pattern throughout, just listne to the song for correct timing:

```

D|-|-----------------------------------------------------------------------|
