How you wake up in the morning like a beauty, movie scene, it s how it seems.
But whatever is said, and whatever is done, will be revealed after midnight.
Going on one.
On one.
When your memory is shot, cuz you smoked to much in the parking lot.
You lay your head in my lap.
And you look up at the dashboard.
It s only Nine o Clock.
What more could we ask for.
It s only Nine o Clock.
What more could we ask for.
It s only Nine o Clock.
What more could we ask for.
