Cole Swindell - Chillin It
Misc Unsigned Bands

Capo II

I got my shades on, top back, rollin with the music jacked
one on the wheel one around you baby

Verse 1
B F#
Little sun left to burn in the blue sky
C# Ebm
shinin off the cross hangin from the mirror of my ride
B
Breeze blowin in,
F#
your hair blowin round,
C# Ebm
you re scannin through the stations lookin for that country sound
B F#
The good stuff iced up in the back seat,
C# Ebm
nowhere to go, nowhere to be

Chorus
B F#
I got my shades on, top back, rollin with the music jacked
C# Ebm
one on the wheel, one around you baby
B F#
Sunset, I bet there s a chance we can get
C# Ebm
sure enough, tangled up, laid back and lazy
B F#
Pour it on easy now, don t spill a bit
C# Ebm
nothin but time tonight, let s get to killin it
B F# C#
Long as I m rockin with you girl you know I m cool with

just chillin it

Repeat same chords throughout

Verse 2
Nothin but two lane country on up ahead
girl you so fine, I wouldn t mind if this is all we did
You got me high on kisses,
you got me missin signs
Hard lookin left when my world is on my right

Chorus

Bridge

B **F#**
Nothin like a little you and me low key,
C# **Ebm**
right now I m right where I wanna be

Chorus

B F# **C#**
Yeah I love rocking with you girl, we re just chillin it
