5 Seconds Of Summer

[Intro] G Em Bm
G Em Bm

G Em Bm
I love, the light in your eyes and the dark in your heart
G Em Bm
You love, our permanent chase and the bite of our bark
G Em Bm
We know, we re classic together like Egyptian gold
G Em Bm
We love us

G Em Bm
It don t matter be combative or be sweet cherry pie
G Em Bm
It don t matter just as long as I get all you tonight

G Em Bm
I can take you out, oh, oh
G Em Bm
We can kill some time, stay home
G Em Bm
Throw balloons, teddy bears and the chocolate eclairs away
G Em Bm
Got nothing but love for you, fall more in love everyday

G Em Bm
Valentine
G Em Bm
Valentine

G Em Bm
So deep, your DNA s being messed with my touch
G Em Bm
Can t beat us
G Em Bm
So real, fueling the fire until we combust
G Em Bm
Can t touch us

G Em Bm
It don t matter be combative or be sweet cherry pie
