C                                 F
Here I am walking next to no one
                            C
Somehow I feel you are following me
                                  F
I am here sitting next to nothing
                            C
Somehow I feel you are next to me
F                           C
Ohh ou ohh don t you ever leave me
F                        C
oh uuu oh stay forever nearly

C                                  F
I have lost everything completely
                                         C
Still I wake up in the morning thinking of you
F                                        C
Still I wake up in the morning thinking of you

C                                F              C

C                                       F             C
I have lost everything I ever had in mind... still you around
                  C
Still you around... Still you around
                  C
Still you around... Still you around
                  C
Still you around... Still you around
                  C
```

Still you around... Still you around

```
C                                                          F              C
I am singing this song to shine a light of hope into my life... a memory of us
                                                                         F
   C       F    C
 Cause there would always be a special place for me inside your heart... inside
your heart
                                                                           F
 Cause there would always be a special place for me inside your heart
                 C
...Inside your heart
