I Cant Stop Loving You
Misc Unsigned Bands

Verse:
```
           F   C     G      Am
There s a girl, I fell In love with,
    F       C           G       Am
the way she smiles just turn me on,
F     C            G        Am          F  C
I m sure she s the girl I m looking for,
          G     Am
I see her in my life.
```

Pre-chorus:
```
Am      F
It s you It can t be wrong,
C       G
It s you My only one,
Am      F            G
It s you who made my heart beat faster.
```

Chorus:
```
          C               G         Am7                 F     G
No matter what, no matter where, my love for you won t fade away,
      C                      G                      Am
I say Baby, It s you I wanna love, wanna be with forever,
        F         G
Cause I can t stop loving you.
```

Verse 2:
```
          F       C            G      Am
Every time i tryna say how much i love you,
    F     C        G       Am    F
but I somehow just let you down,
 C           G         Am       F     C
I get tongue tied when I m with you,
         G              Am
and so I wrote you this song.
```

```
          C               G         Am7                 F     G
No matter what, no matter where, my love for you won t fade away,
      C                         G                            Am
I say Baby, don t ever leave me girl, cause I need you in my world,
        F         G
Cause I can t stop loving you.
```

Bridge:

```
Dm       C              G     Am                      Dm
You took my heart away, made me miss(love) you even more,
     C                     G     F                    Dm
when you cry I ll hold you tight;down, I ll pick you up,
        C           G       Am
I ll be your pillow by your side,
      F          G
gonna put you in bed every night.
```

```
          C               G         Am7                 F     G
No matter what, no matter where, my love for you won t fade away,
      C                      G                      Am
I say Baby, It s you I wanna love, wanna be with forever,
        F       G
Cause I can t stop loving you.
```

Outro:

```
Am               F
No matter what no matter where I ll be there,
C                G
and when you cry I mma lend you a shoulder,
Am  F         C     G
let time prove we belong together,
Am    F            G
let s build up our love story
