D Bm D Bm
Passion is for lovers, passion is for lovers
G A D Bm G A D
And I am one of them, I am one of them

A D Bm G

A life without passion is like living being dead
D A F#m Bm

and I feel sorry for those whoÂ´s lacking feelings inside their heads
D A G D
May you wake up from your slumber and go with passion instead.

Winning is for fighters, winning is for fighters
And I am one of them, I am one of them
A life without winning would be not living at all
Â´cause only winners can enter this world
those who donÂ´t will never be heard
May you wake up from you slumber and start fighting instead

Happiness is for givers, happiness is for givers
And I am one of them, I am one of them
A life without giving is not giving anything at all
If youÂ´ll give youÂ´ll be receiving, life will catch you if you fall

D A G Bm
May you wake up from your slumber, there is nothing to stall
D A G D
May you wake up from your slumber, there is nothing to stall
