

Wrapped Around Your Finger
5 Seconds Of Summer

(G A G A)

G A G
Throwing rocks at your window at midnight
A G
You met me in your backyard that night
A G
In the moonlight you looked just like an angel in disguise
A
My whole life seemed like a postcard

D A
You were mine for a night
Bm G
I was out of my mind
D F#m
You were mine for a night
Bm G
I don't know how to say goodbye

Bm G A
Making all our plans in the Santa Cruz sand that night
Bm G A
Thought I had you in the palm of my hand that night
Bm G A
Screaming at the top of my lungs til my chest felt tight
Bm G A
I told myself that I'm never gonna be alright
