D             A                G      A
It s my first summer since you went away.
D             A                 G             G    A
But don t go thinking there s a chip upon my shoulder.
Bm       F#m           G
Cos I assure you everythings O.K.
       A
As I m sittin  on top of the world.

Chorus:
     D             A
Cos I m just going crazy,
         G               A
I m just climbing up the wall.
       D              A
I just cry myself to sleep at night,
            G            A
 wondering why you never call.
          D         A
You were only all I dreamed of,
        G          A
and the only one I want.
   Bm                F#m
So why should I feel bad about it,
G       A              D
no it hardly hurts at all.

D           A             G
Each time I see you I get shivers
       G     A
and my hand shake.
D        A                G          A
And everytime I feel like such a fool.
D             A          G
But don t you worry if I stumble and
     G     A
my voice breaks.
Bm     F#m             G
Cos I assure you everything is cool,
        A
as I m sittin  on top of the world.
