Misc Unsigned Bands

```
G              D
we can go to frozurt
Cadd9
saturday at two
G              D                                  Cadd9
and we can ride our bikes down there cause day light fades so soon
G              D
and we can go to frozurt and i ll wear that sweater too
Cadd9
as you smile insecurely shows the inner truth
Em      Cadd9
and I, I m fallin deep for you
Em      Cadd9
and I, I m so in love with you.

(repeats!)
and we can go to Frozurt just as friends so screw,
all of the awkwardness oh, what s the use
and you ll hold my hand just like the movies too
and you ll say I love you the same way as I do

Em      Cadd9
and I, I m fallin deep for you
Em      Cadd9
and I, I m so in love with you.
        G
I love you
