I realise that the lyrics may be incorrect, but as I ve failed to find any lyrics
posted yet; official or otherwise.
This is just my interpretation.. Please enjoy :)

P.S Oh! send lyric revisions and obviously chord/solo revisions to the above email, ta.

Intro: **C Em Dm G**

```
C   Em      Dm         G
Pre-Madonna said to my brother
Em      Am              F           G
dream a dreams to be as good as our mother
C          Em     Dm       G
all that I ask is hold one another
Em       Am               F          G
when the darkness follows you in the corner

Em                            Am
Genny you re late to hear my voice
        F                         G
with my guidance she will make it through
             C
and never be alone
 Em    Dm    G   Em  Am  F  G        G(opt.)
(harmonies: oooh s, ahhh s) darling, darling

C        Em        Dm           G
Only the best will stand up and conquer
Em      Am              F               G
men and children gather stones and then shelter
C        Em         Dm        G
only the young will carry the story
Em     Am         F          G
of the people who became the survivors

Em                                          Am
Navi(? lol, zelda.) you re late to hear my voice
     F                      G
like Poseidon I control the voice
               C    (/    C     )
```

to make it all alone(/out alive?)
Em Dm G Em Am F G
(harmonies) darling, darling

C Em Dm G Em Am F G
    (harmonies) darling, darling

Em **Am**
All hear her speak through all the noise
Em **Am**
seen before all the other boys
        F **G**
with my guidance she will make it through AND....
SHE LL NEVER BE ALONE!

SOLO:(not perfect for rhythm... use the actual song ;) should be the correct notes however)

```
   C        Em        Dm        G        Em         Am        F        G
