[CAPO 1]

C# G# Bbm F#
Closet full of secrets and skeletons awakes but nothing s true
C# G# Bbm F#
I used to own a castle now it s boxes that I have to move
C# G# Bbm F#
Right here in the darkness there s nothing left for me to do
C# G#
It s easier to run away but today
Bbm F#
Today we got to

C# G#
Cast the shadows out from sight
Bbm F#
A final stand a shouting cry
C# G#
All the wrongs now turned to right
Bbm
So fight the past
F#
Take back the night

C# G#
And call upon the torch tonight
Bbm F#
To bring out all the ghosts to light
C# G# Bbm F#
Because at last we have to go it s time
C#
To take back the night

G# Bbm F# C# G# Bbm F#

                  C# (once)
To take back the night

Bridges burned and broken on different sides we start anew
C#                            G#                Bbm                   F#
Being chased by monsters to face head on or be consumed
C#                           G#               Bbm                    F#
Reaching out for something grasping on to nothing to lose
C#                              G#
Paybacks left too long unpaid but today
Bbm           F#
Today we got to

C#                 G#
Cast the shadows out from sight
