Dear Sister, Your Brother
Intro: **F# B Ebm**

```
F#                  B                Ebm
Come Back Old lights, and childish fights
                   C#
do you remember all the good times
F#                  B                Ebm
when we were young, and when we made fun
           C#
watching all those lovers making old rhymes
F#                     B              Ebm                    C#
As I sail out onto the sea, all these rocks burning beneath me

F#       B     Ebm     C#
woah oh oh

F#                       B
Please say everything is okay
             Ebm
tell me we can go play
                 C#
like we did when we were younger
F#                        B
Oh, Oh well sing and SHOUT
             Ebm
lying on the ground
                  C#
starring up at worlds beyond our own.

F#     B   F#    B
```

Verse

```
F#             B              Ebm                       C#
Would you save the stinging bee, if it fell into the ocean
F#          B              Ebm         C#
Yes I would, i d pull it out, like a brother to a sister.
F#          B                     Ebm         C#
I feel the sting, and hear you shout as you find another mister
F#     B   Ebm    C#
woah oh oh
```

Chorus

Bridge

```
Ebm                              G#m           B                C#
Cause yea you ll sing when i shout, cause you know I m gonna make it.
```

Ebm **G#m** **B** **C#**
And you ll sing, and I ll shout cause you know were gonna make it
Ebm **G#m** **B** **C#**
And you ll sing when you shout, cause you know your gonna make it.

Chorus 2X
