CHORUS:
```
Gm                Dm               Eb
Heartbeats never fade, they just go
  G/C#                Cm
We never feel whats left behind
             Bb                F
But, when we do, its unbearable
Gm                     Dm              Eb
Caught in-between the brush and the road
G/C#                 Cm
you re giving up on paradise,
              Bb          F Dm/G
and when you do its unbearable
```

Gm Dm F (2x)

VERSE 1:
```
Dm          Am
You re invisible
              Bb               F
It took a closed eye to move on
Dm                Am
Don t you turn around
        Bb                    F
It was your wish I would be gone
Gm                            Dm
I knew something was on the way,
      Gm                   Dm
Cause I kept feeling you turn away
```

```
Dm               Am
Someone understood,
              Bb                   F
and they were frozen under their own
Dm          Am
No one came around
              Bb              F
And what was broken now is alone
Gm                     Dm

Cause I kept feeling you turn away
