[Verse]

```
E           F#m            A
When did my friends start doing cocaine and
    E       F#m          A
complaining I m not complaining
E           F#m           A
I m feeling better but I can t explain why it s
E    F#m          A
fading, but it s fading
```

[Chorus]

```
        E           F#m          A
Through sunsets and sunrise can you see in my eyes
    E           F#m      A
The sunset and sunrise, yeah yeah yeah yeah
```

[Verse]

```
E F#m   A
I just figured out the reason
    E F#m    A
But I won t ever say a word
        E   F#m     A
And the sidewalk s leading me today
     E               F#m  A
So I guess I m gonna be okay
```

[Chorus]

```
        E           F#m         A
Through sunrise and sunsets we piss under bridges
  E      F#m          A
I appreciate all the small things I m fine
           E           F#m              A
When we re walking and talking through playgrounds and downtown
E            F#m               A
Laughing and smiling at least most of the time
         A
Through sunsets and sunrise
```
