Lover Of The Bayou
Mudcrutch

This was originally a Byrds joint but Mudcrutch re-did for their loooooonnnggg-awaited
I m pretty sure this is 100% accurate, but of course corrections are welcome :).

Intro

Bm, **A**, **G**, **Bm** (x2)

```
Bm             A                G
Catfish pie in gris gris bag
                      Bm
I m the lover of the bayou
                           A              G
Pack your doorstep with a half wet rag
                      Bm
I m the lover of the bayou
                                 A          G
I was raised and swam with the crocodile
                           Bm
Snake-eye taught me the Mojo style
                       A             G
Sucked and weaned on chicken bile
                       Bm
I m the lover of the bayou
```

Interlude 1

I learned the key to the master lock
Learned to float in the water clock
Learned to capture the lightning shock
I m the lover of the bayou
And I got cat s an teeth and hair for sale
I m the lover of the bayou
And there are zombies on your tail
I m the lover of the bayou

Interlude 2

I cooked a bat in a gumbo pan
I drank the blood from a rusty can
Turned me into the Hunger Man
I m the lover of the bayou, yeah!

Interlude 3

Outro

Finish with: **G**, **A**, **Bm** (hold).

It s that easy folks :).
