Dead Inside
Muse

Intro: (**Gm**)

```
Gm                    Bb
Reve-re a million pra-yers
     F               Gm
And draw me into the holiness
                     Bb
But theres nothing there
             F
Light only shines
                 Gm
From those who share

Gm                     Bb
Unle-ash a million dro-nes
        F             Gm
And confine me then erase me babe
                 Bb
Do you have no soul
               F             Eb
Its like it di-ed long ago

Eb      Dm               Gm
Your lips feel warm to  the touch
          F                Eb
You can bring me back to li-fe
        Dm               Cm            Eb
On the outside you re ablaze and alive
       F
But you re Dead Inside!
```

(**Gm** **Bb** **F**) (2x)

```
Gm                           Bb
You re fre-e to touch the sk-y
        F                  Gm
Whilst I am crushed and pulverised
                      Bb
Because you need control
             F               Gm
Now I m the o-ne letting go

Gm                      Bb
You li-ke to give an in-ch
        F              Gm
Whilst I am giving infinity
                           Bb
```

But now I ve got nothing left
F
You have no cares
Eb
And I m bere-ft

Eb **Dm** **Gm**
Your skin feels warm to caress
F **Eb**
I see magic in your eyes
Dm **Cm** **Eb**
On the outside your ablaze and alive
F
But you re dead inside!

(**Gm**)

Ponte: **Gm** **Eb** **Bb** **F**

Gm
Feel me now
Eb
Hold me please
Bb **F**
I need to see who I am
Gm
Open up to me
Eb
Stop hiding from me
Bb
Its hurting babe
F **Gm**
Only you can stop the pa-in
Eb **Bb**
Don t lea-ve me o-ut in the cold
F **Gm**
Don t leave me out to die
Eb
I gave you everything
Bb
I can t give you anymore
F **Eb**
Now I ve become just like you

Eb **Dm** **Gm**
My lips feel warm to the touch
F **Eb**
My words seem so ali-ve
Dm **Gm**
My skin is warm to caress
F **Eb**
I ll control and hypnotise
Dm **Gm**

You ve taught me to lie without a trace
F **Eb**
and to kill with no remorse
Dm **Cm** **Eb**
On the outside I m the greatest guy
F
Now I m dead inside!

(**Gm**)
