```
G#                C#                                      G#
Bad idea to go down to the pier by your self after dark
G#                      C#
Bad idea cause they re down on their luck and they ve lost touch with their
         G#
bleeding hearts

G#                    C#                                            G#
Bad idea cause I ve felt that way and I know I shouldn t have gone
G#                     C#                                  G#
Time is near to come forward with whatever killed your spark

G#              C#        G#
There s still time for you
                C#                        G#
to change your mind or whatever else you do
G#              C#            G#
There s still time          whoaaaa

F#                 G#
Forever...        oh  (x5)
