Love song, on the radio,
On the radio, has got balls
Kiss me, kiss me baby,
Kiss me baby, before I fall

Bb

I can t think why you move so slow

A

You stop me when I want to go

E

Leave me peace or leave me now

F

Don t you come back, not now
Time is come when red is blue
You for me and me for you
Loss of pay awash in gray
What was love is now a grave

E//// E//// E//////////...

D.J., on the radio,
On the radio, has got balls
He plays, only one song,
Only one song, all day long

I don t want a girl in short wave
I don t want a girl in mono
I just want a girl on the radio
Kiss me kiss me kiss me baby, don t say no
I m too lazy, don t say stop
When we should go, goooo...go

Anti-Solo (where b = bend):
