```

INTRO: Asus2

```
       G#                                  B
Well, I used to drive a cab, you know
B
I heard a siren scream
C#
Pulled over to the corner
      B                  G#sus2
And I fell into a dream

          G#
There were two men eating pennies
B
And three young girls who cried
C#
The West coast is falling,
B                         G#sus2
I see rocks in the sky.

Eb7
The preacher took his bible
And laid it on the stool.
         C#
He said: with the congregation running,
           B                 G#sus2 G# G#sus2 G#
Why should I play the fool?

Well, I used to be a woman, you know
B
I took you for a ride,
C#
I let you fly my airplane
B                                G#
It looked good for your pride.

 Cause you re the kind of man you know
B
Who likes what he says.
```

C#
I wonder what s it s like
B G#
To be so far over my head.

Eb7
Well, the lady made the wedding
And she brought along the ring.
C# B
She got down on her knees
B G#sus2 G#7
And said: Let s get on with this thing.

Well, I used to be a folk singer
B
Keeping managers alive,
C#
When you saw me on a corner
B G#7
And told me I was jive.

So I unlocked your mind, you know
B
To see what I could see.
C#
If you guarantee the postage,
B G#7
I ll mail you back the key.
Eb7
Well I woke up in the morning
With an arrow through my nose
C# C#sus4
There was an Indian in the corner
B G#sus2 Ebm G#sus2 Ebm
Tryin on my clothes.

G#
Well, I used to be asleep you know
B
With blankets on my bed.
C#
I stayed there for a while
B G#sus2 G#
Til they discovered I was dead.

The coroner was friendly
B
And I liked him quite a lot.
C#
If I hadn t ve been a woman
B G#sus2
I guess I d never have been caught.
Eb7

They gave me back my house and car
G#sus2 G#
And nothing more was said.

Well, I was driving down the freeway
B
When my car ran out of gas.
C#
Pulled over to the station
B G#
But I was afraid to ask.

The servicemen were yellow
B
And the gasoline was green.
C#
Although I knew I couldn t
B G#
I thought that I was gonna scream.

Eb7
That was on my last trip to Tulsa
Just before the snow.
C# C#sus4
If you ever need a ride there,
B G#sus2 Ebm x4 G#sus2
Be sure to let me know.

G#
I was chopping down a palm tree
B
When a friend dropped by to ask
C#
If I would feel less lonely
B G#sus2
If he helped me swing the axe.
G# B

I said: No, it s not a case of being lonely
We have here,
C#
I ve been working on this palm tree
B B G# G#sus2 G# G#sus2 G# G#sus2 G# G#sus2 G#
For eighty seven years

B
I said: No, it s not a case of being lonely
We have here,
C#
I ve been working on this palm tree
B G#7
For eighty seven years

```
         Eb7
He said: Go get lost!
And walked towards his Cadillac.
C#                  C#sus4
I chopped down the palm tree
B
And it landed on his back.
```
