5Bugs-Just another tragic story

Capo 3

Have fun

G **D**
hey, it s me I feel so sorry
Em **D**
I m telling you my fairy tale
G **D**
nothing but a tragic story
Em **D**
about an actor who s about to fail

G **D**
everyone knows what it takes to
Em **D**
clear your mind, start once again
G **D**
all alone and broken hearted
Em **D**
I will never love again

Chorus:

G **D** **C**
why won t the sun shine for me
G **D** **C**
just one ray of light helps to cure me
Em **D**
when I m lying in my bed
C **D**
with all these thoughts in my head
G **D** **A**
I just want you to come back again

every heartbeat filled with sorrow
and every day the sky turns gray
a few moments are left to breathe but
I m leaving I don t want to stay

seems like the good days are gone now
my fairy tale has faded to black
I gave you my heart you broke it
keep it I don t want it back

bridge:

Em **D**
finally I let you go
Em **D**
