intro:**Am, G**

Am G
In Visions of the dark night
I have dreamed of joy departed
But a waking dream of life and light
Has left me broken hearted

Am G
That dream--that holy dream
while all the world was chiding
has cheeded me as a lovely beam
a lonely spirit guiding

Am G
Ah what is not a deam by day
To him whose eyes are cast
on things around hom with a ray
turned back upon thw past?

E

E Am
Take this kiss upon the brow
and, in parting from you now
thus much let me avow

E
you are not wrong who deem
that my days have been a drem;
yet if hope has flown away
in a night or in a day

Am E
in a vision or in none,
is it therefore the less gone?
all that we see or seen
is but a dream within a dream.

Am G
what though that light, through storm and noght
so trembled from afar
what could there be more purely bright
in truth s day-star?

Am G
That holy dream---that holy dream

while all the world was chiding
has cheered me as a lovely beam
a lonely spirit guiding.
