Grace
Nerina Pallot

C G
Will you come down off there?
C G
It s a heavenly height
C G Em
For someone so fragile and haunted at night
C G
And I cannot save you
C G
Try as I might
C G Em
I m wasting myself but I want to take flight
Am D G
Oh kid, if I could, I would try

So they gave you the Bible
But the good book just lied
 Cause nobody said life would be such a trial
And now there are tears in your eyes

Em A D G
It s a long way down
C F# B
Don t look down, don t look down
Em A D G
And it s hard holding on
C F# B
But grace will come, so kid hold on

 Cause I just want to love you
I just want to try
 Cause life is so short and we re both gonna die
So put your head on my shoulder
Lift your eyes to the sky
You re my blood and my baby and we re gonna fly
As long as we re here we must try

It s a long way down
Don t look down, don t look down
And it s hard holding on
But grace will come, so kid hold on

I just want to love you
I just want to try
 Cause life is so short and we re both gonna die
But take a deep breath, let s fly
