In Visions of the dark night  
I have dreamed of joy departed  
But a waking dream of life and light  
Has left me broken hearted

**Bbm** **G#**

That dream--that holy dream  
while all the world was chiding  
has cheeded me as a lovely beam  
a lonely spirit guiding

**Bbm** **G#**

Ah what is not a deam by day  
To him whose eyes are cast  
on things around hom with a ray  
turned back upon thw past?

Take this kiss upon the brow  
and, in parting from you now  
thus much let me avow

**F**

you are not wrong who deem  
that my days have been a drem;  
yet if hope has flown away  
in a night or in a day

**Bbm** **F**

in a vision or in none,  
is it therefore the less gone?  
all that we see or seen  
is but a dream within a dream.

**Bbm** **G#**

what though that light, through storm and noght  
so trembled from afar  
what could there be more purely bright  
in truth s day-star?

**Bbm** **G#**

That holy dream---that holy dream

while all the world was chiding  
has cheered me as a lovely beam  
a lonely spirit guiding.
