Title: A Dream

Artist: Revel 68

intro:**Bm, A**

Bm **A**
In Visions of the dark night
I have dreamed of joy departed
But a waking dream of life and light
Has left me broken hearted

Bm **A**
That dream--that holy dream
while all the world was chiding
has cheeded me as a lovely beam
a lonely spirit guiding

Bm **A**
Ah what is not a deam by day
To him whose eyes are cast
on things around hom with a ray
turned back upon thw past?

F#

F# **Bm**
Take this kiss upon the brow
and, in parting from you now
thus much let me avow

F#
you are not wrong who deem
that my days have been a drem;
yet if hope has flown away
in a night or in a day

Bm **F#**
in a vision or in none,
is it therefore the less gone?
all that we see or seen
is but a dream within a dream.

Bm **A**
what though that light, through storm and noight
so trembled from afar
what could there be more purely bright
in truth s day-star?

Bm **A**
That holy dream---that holy dream

while all the world was chiding
has cheered me as a lovely beam
a lonely spirit guiding.
