The Skys The Limit
Nik Kershaw

Nik Kershaw - The Sky s The Limit
From the album EI8HT (2012)

2nd Fret Capo (thank you yvon tremblay for that info)

[INTRO]

F C F C

[VERSE 1]

```
                F       C            F
You could be a writer, fisherman or fighter
C                 G            Am
You could be the jewel in the crown
                F       C           F
You could be a leader, doctor or a diva
C                 G
You could be the talk of this town
                F       C          F
You could be designer, major or a minor
C               G         Am
You could be a game show host
                      F         C            F
You could drive your race-car, president or popstar
C                 G
You could be the first past the post

E           Am       E        Am        E        F
You could be amazing, funny And brave and lucky And glorious
```

[CHORUS]

```
               C                G
The sky s the limit So dive on in it
            Am               F
Go fly your colours So high above us
               C                      G
You re just beginning So don t look down
                  F
Cos the sky s the limit
```

[VERSE 2]

```
                  F         C                F
```

```
You could be the wise one, tougher than the top gun
C                G          Am
You could be the king of it all
                 F          C               F
You could be the queen bee, bigger than the big cheese
C                G
You could be the belle of the ball

E             Am      E   Am      E   F
You could be inspiring or Beguiling or Notorious

[CHORUS]

              C                G
The sky s the limit So dive on in it
            Am               F
Go fly your colours So high above us

[BRIDGE]

    D                            F
And bring me back a souvenir The next time you re around
    D                                   G
Now fly before there s too much here To keep you on the ground

F  C  F  E

                  Am      E    Am     E      F
When you ve got a view so clear and no fear of falling

C  G  Am  F

[CHORUS]

              C                G
The sky s the limit So dive on in it
            Am               F
Go fly your colours So high above us
              C                     G
You re just beginning So don t look down
                  F
Cos the sky s the limit
```
