Shot Down
Nine Black Alps

V1
F A F A F A D----------E
Funny how they...could have lived yeah...funny how they really live
F# Bb F# Bb F# Bb Eb
Drag you down and pull you in and tell you nice you ll never win

Bb

V2
Pretty good at,letting go it s the, only place you ll ever go,
Prison doors sound like, wedding bells as you, ask for change at the wishing well

pre chorus1
Eb Bb
I don t like this place, I don t like what it s become
Eb F#
You can hide your face, you can always hide your guns

Chorus 1
C# BbM
Shot down, spun round, strung out
F# C# Eb E F F#
Still around somehow

solo play verse chords throughout

pre chorus1
In the human race, there s a space for everyone
You can save yourself, you can always kill your sons,

chorus 2
shot down, spun
round, strung out
A to finish robert loustau with thanks to lizzie wilson
Still around somehow
